- v.90, US Robotics x2 & k56 Flex (53kbps) Capable\*\*\*
- Friendly Customer Service and 24 hour Support available at no additional charge.
- Convenient Payment Options including VISA, Mastercard, American Express and Pre-Authorized Payment direct from your chequing account.
- Free personal web space to create your own home page.

### How Do I Sign Up?

Simply select the type of account that best suits you, then fill out the application form on the reverse of this sheet. You may drop your completed application at MNSi or any Authorized Reseller for processing. Your Internet Account will be processed the same business day, normally in about 2 hours. Should you require assistance completing this form or configuring your computer for the Internet, please do not hesitate to give us a call.

### Other Services Available

Other services available for business or personal use include:

- Domain name registration. Reserve your .com domain name now before it's registered by someone else.
- Domain web and mail hosting. Add a professional look to your web site and email address by using your own domain.
- LAN on Demand package. Provide Internet access to everyone on your corporate network using a router and a LAN account.
- Dedicated access. Remain connected 24 hours a day, 7 days a week. Great for running your own web, mail or ftp server. Available as single channel or dual channel to meet your access needs.
